Calibrators, Repairers & Suppliers of  
Electronic, Mechanical & Pressure Test Equipment

### Data Protection Statement

Quasartronics Ltd (QSR) calibrate and repair electrical and mechanical test equipment at our own premises. To enable us to carry out our professional processes, we will require to store certain details for your company which will include contact details of point of contact personnel and bank details for processing payments.

These details are stored on password controlled computers. Accounts details are only accessible to a maximum of two QSR staff.

No personal or private details are ever communicated to a third party and details will be deleted if communicated to us, in writing, at the end of any contract period with the customer.

This statement is made pursuant to the General Data Protection Regulation 2018.
